ARTICLE 1
AGREEMENT

This Agreement entered into this 1st day of July, 2021, by and between the City of Monroe, a Municipal Corporation, hereinafter referred to as the "Employer" and the Command Officers Association of Michigan, hereinafter referred to as the "Association."

ARTICLE 2
PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations between the Employer and the Association.

ARTICLE 3
RECOGNITION

Section 1. Description of Bargaining Unit. Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Acts of 1947, as amended, the Employer hereby recognizes the Association as the exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all regular full-time sworn Public Safety Captains of the City of Monroe Police Department; excluding all Public Safety Officers and Public Safety Corporals, Public Safety Commanders, Director of Public Safety, and clerical and other non-police supervisory personnel, and all other employees of the Employer.

Although the terms and conditions of this Agreement apply exclusively to regular full-time employees, the Association reserves the right to petition the Employer to bargain concerning the wages, hours, terms and conditions of employment of regular part-time sworn Public Safety Captains in the City of Monroe Police Department should the Employer elect to employ such persons during the term hereof.

Section 2. Definitions.

(a) Full-Time Employee. A full-time employee is an employee whose employment is for a period of indefinite duration and who is regularly scheduled to work eighty-four (84) or more hours per bi-weekly pay period.

(b) References to Gender. Unless the context indicates otherwise, wherever the male gender is used it shall be construed to include both male and female employees.

(c) References to Commander. All references to Commander shall be construed to mean Public Safety Commander.

ARTICLE 4
NON-DISCRIMINATION

The provisions of this Agreement shall apply to all employees in the bargaining unit without discrimination on the basis of age, sex, marital status, race, color, height, weight, disability, religion, national origin, political affiliation or sexual orientation, except as otherwise provided by state or federal law.

ARTICLE 5
RIGHT TO WORK
AND VOLUNTARY DUES DEDUCTION

Section 1. Each unit employee shall have the right to join, or not to join, the Association as he/she individually prefers.

The parties agree that they will not interfere with the free choice of any employee regarding the decision to join, not join, or to continue or discontinue as a member.

Section 2. During the life of this Agreement, employees may have monthly membership dues deducted from their earnings by signing and submitting to the Employer the Membership Dues Deduction Authorization form attached to this Agreement as Appendix C. Each dues deduction authorization will be limited to deduction of regular monthly basic dues and will remain in effect (1) for a specified time in accordance with law, or (2) until the Employer receives written notification that the employee has cancelled the authorization, or (3) until active employment in a covered classification is terminated. Should this Agreement be terminated for any reason, the dues deduction authorization forms will be automatically cancelled.

Deductions under all properly executed Authorization Forms shall commence effective at the time the application is tendered to the Employer and if received on or before the fifteenth (15th) day of the month preceding the month in which a deduction is to be made, shall be deducted from the first (1st) pay of such month, and biweekly thereafter.

All sums deducted by the Employer shall be remitted to the Association's Financial Officer within thirty (30) calendar days following the payday in which deductions were made, together with a list which identifies current employees for whom Association dues have been deducted, the amount deducted from the pay of each employee and any employees who have terminated their Authorization during the previous month. Employees may terminate such Check-off at any time by serving written notice thereof to the Employer.

Once any funds are remitted to the Association by the Employer, their disposition shall be the sole and exclusive obligation and responsibility of the Association. In cases where a deduction is made that duplicates a payment that an employee already has made to the Association, or where a deduction is not in conformity with the provisions of the Constitution of the Association or applicable state or federal law, refunds to the employee shall be made by the Association to the employee.

The Employer shall not be liable to the Association for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by employees.

Section 3. The Association shall indemnify, protect and hold harmless the Employer from any and all claims, actions, demands, suits, proceedings, and other forms of liability, including all costs and attorney fees, that shall arise out of or by reason of any action taken or not taken by the Employer for the purpose of complying with the provisions of this Article.

ARTICLE 6 ASSOCIATION REPRESENTATION

Section 1. The Association shall provide the Director of Public Safety (or his designee) and the Employer's Human Resources Director with written notice of the names of its officers, the members of its Executive Board, and its authorized grievance and negotiation representatives. Such notice shall be provided promptly and, in no event, later than three (3) days following each such person's appointment.

Section 2. Representatives of the Association shall be allowed a reasonable period of time to investigate and present grievances to the Employer during working hours without loss of time or pay.

Section 3. Employees who are required to attend meetings outside their regularly scheduled shift for the purpose of contract or grievance administration or communications shall be compensated at straight time hourly rates.

Section 4. The Association's Staff Representative and up to four (4) employees selected in accordance with the Association's bylaws shall comprise the Association's bargaining committee for the purpose of conducting negotiations with the Employer. Employees who participate in contract negotiations while on duty shall suffer no loss in pay for such activity.

Section 5. An employee shall not leave his assigned work until he has notified his supervisor that his presence is required in connection with the investigation or presentation of a grievance or contract negotiations with the Employer and has received the supervisor's approval to leave his work for that purpose. Permission to leave work for such purposes shall not be unreasonably withheld. The privilege of leaving work during working

hours without loss of time or pay is subject to the understanding that the time will not be abused. Employees shall perform their regularly assigned work at all times, except when necessary to leave their work for the purposes provided herein.

Section 6. The Association may schedule Employer facilities for meetings so long as such meetings do not conflict with the business of the Employer. The usage of Employer facilities shall be scheduled through the office of the responsible shift Commander (or his designee). No employee who is on duty shall attend such meetings without the approval of the responsible shift Commander (or his designee).

Section 7. Upon reasonable requests to the Employer's Human Resources Director, authorized non-employee representatives of the Association shall be granted permission to enter the Employer's operations for the purpose of adjusting grievances with designated Employer representatives.

Section 8. The Association President and up to one (1) other employee shall be granted time off without pay to attend association conventions and seminars, provided it does not result in minimum staffing and overtime does not have to be incurred. This will include travel days when necessary. The Association shall provide a written request to the responsible shift Commander (or his designee) at least thirty (30) days prior to the periods such time off is desired.

ARTICLE 7 EMPLOYER RIGHTS

It is recognized that the government and management of the Employer, the control and management of its properties and the maintenance of municipal functions and operations are reserved to the Employer and that all lawful prerogatives of the Employer shall remain and be solely the Employer's right and responsibility except as limited by applicable law and the provisions of this collective bargaining agreement. Such rights and responsibilities belonging solely to the Employer are hereby recognized, prominent among which but by no means wholly inclusive are:

- all rights involving public policy;
- the right to decide the number and location of work stations;
- the right to determine the work to be performed within the unit;
- the right to select, hire, assign, transfer, promote and layoff employees;
- the right to discipline, suspend or discharge employees for just cause;
- the right to maintain discipline and efficiency of employees;

- the right to schedule the hours of work of the employees; and
- the right to determine the amount of overtime to be worked.

The Employer acknowledges and recognizes its responsibility and obligation to discharge the above mentioned responsibilities in a fair and equitable manner with regard to all employees covered under this Agreement, including, but not limited to, the allocation of overtime.

It is further recognized that the responsibility and authority to determine the scheduling as to hours and type of work is vested exclusively by the Employer. It is further recognized that the Employer may, in lieu of laying off personnel, reassign employees to a different classification, and that the Employer reserves the right to eliminate a position created by a vacancy and to not fill vacancies for authorized positions and/or classifications, provided that any employee who is laid off or involuntarily transferred shall be reassigned to his/her prior position when such position is next filled.

ARTICLE 8 GRIEVANCE PROCEDURE

Section 1. A grievance is a dispute arising under and during the term of this Agreement with respect to an alleged violation of the express terms of this Agreement.

Time limits specified in the Grievance Procedure are of the essence. If an employee or the Association does not file or appeal a grievance within the specified time limits, such failure shall constitute acceptance of the action taken by the Employer, and the grievance will automatically be disallowed and the matter closed. If the Employer does not respond within the specified time limits, the grievance will be deemed denied and shall automatically move to the next step. The time limits provided in the Grievance Procedure may be extended by a written agreement between the Employer and the Association. Any resolution or forfeiture of a grievance shall be final and binding upon the employee(s) involved, the Association, and the Employer.

An employee with a grievance shall first obtain permission from his/her ~~supervisor~~ responsible shift Commander before leaving his/her job or work station to contact the Association. An Association representative shall be permitted to be present at all stages of the Grievance Procedure. No grievance may be advanced beyond Step One without the concurrence of the Association President (or designee).

For the purpose of the time limits identified herein, "work days" shall mean Monday through Friday, excluding holidays and other days City Hall is closed for business.

Section 2. Procedure

Step One

Any employee having a grievance shall first take up the matter with the responsible shift Commander (or his designee) within five (5) work days of the occurrence giving rise to the grievance.

Step Two

If the grievance is not settled at Step One, it shall be reduced to writing, signed by the employee and a representative of the Association, and submitted to the responsible shift Commander (or his designee) within eight (8) days of the occurrence giving rise to the grievance. Within five (5) work days of receipt of the written grievance, the responsible shift Commander (or his designee) will give his/her decision in writing to the employee and the Association representative.

Step Three

If the grievance is not settled at Step Two, the Association's President (or his designee) may request a Step Three meeting. This request shall be submitted to the City's Human Resources Director (or designee) in writing within five (5) work days of the Association Representative's receipt of the decision of the responsible shift Commander (or his designee) at Step Two. A meeting between the Association President (or his designee) the Association's Business Agent, the Human Resources Director (or designee), and the responsible shift Commander (or his designee), and such others as the Employer shall deem necessary to consideration and resolution of the grievance, shall be scheduled within ten (10) work days of the Human Resources Director's (or designee's) receipt of such request. The Human Resources Director (or designee) shall provide the Association President (or designee) a written answer to the grievance within ten (10) work days of the meeting.

Step Four Arbitration

(a) If the answer at Step Three does not resolve the grievance, the Association may appeal the grievance to arbitration by giving the Human Resources Director (or designee) written notice of intent to arbitrate within ten (10) work days of its receipt of the Director's (or designee's) answer at Step Three. Following the serving of notice of intent to arbitrate, the Employer and the Association shall attempt to select an arbitrator to arbitrate the grievance. If the parties have not mutually selected an arbitrator within twenty (20) work days of the Association's receipt of the Director's (or designee's) answer at Step Three, the Association may file a Demand for Arbitration with the American Arbitration Association no later than twenty-five (25) work days following its receipt of such answer. Concurrent notification of such appeal shall be provided to the Human Resources Director (or designee). Notification to the Human Resources Director (or designee) shall be subject to the same time limitations set forth for filing with the American Arbitration Association and shall include a copy of the Association's Demand for

Arbitration and identification of the grievance, the issue(s) and the provisions of the Agreement involved. If the grievance is not submitted to Arbitration in accordance with the procedure and time limits herein provided, the Step Three disposition of the grievance shall be final.

Selection of the arbitrator and the arbitration hearing shall be governed by the Voluntary Labor Arbitration Rules of the American Arbitration Association in effect at the time the Association's Demand for Arbitration is filed. The arbitrator shall have the authority to issue a subpoena for a witness to attend the arbitration hearing. Grievances shall be arbitrated separately unless otherwise agreed in writing between the Employer and the Association.

The fees and approved expenses of the arbitrator shall be shared equally by the Association and the Employer. Each party shall be responsible for compensating its own representatives and witnesses. The cost (if any) of any room or other facility needed for the arbitration shall be shared equally by the Employer and the Association. All hearings shall be held at a mutually agreeable site. Employee witnesses, except the grievant and Association President (or his designee), who are scheduled to work on the day of an arbitration hearing, shall be excused from work only to testify and shall return to work immediately thereafter. The grievant(s) and the Association President (or his designee) shall be excused from work to attend the entire arbitration hearing and shall return to work immediately thereafter.

The arbitrator shall have authority to hear and determine any grievance involving the application or interpretation of the express terms or conditions of this Agreement, provided the grievance has been timely processed through the Grievance Procedure and is properly before him. In fulfilling his/her duties under this Agreement, the arbitrator shall have authority to apply and interpret the express terms or conditions of this Agreement but shall not have the authority to add to, subtract from, change, or modify this Agreement, or resolve any dispute under any section of this Agreement which is expressly excluded from arbitration, or imply a provision which is not otherwise specifically provided herein. The arbitrator's decision, when made in accordance with his/her jurisdiction and authority, shall be final and binding upon the Employer, the Association and any employee or employees involved and cannot be changed by any individual.

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular pay rate as set forth in Appendix A, less any unemployment compensation or other compensation he/she may have received from any source of employment not previously approved, in writing, by the Employer as supplemental employment.

(b) Grievances processed to arbitration may be withdrawn only upon written agreement of the Employer and the Association.

Section 3.

(a) If the Association chooses to grieve an employee's discharge, such grievance shall be filed directly at Step Three in lieu of Step One as above provided.

(b) Any employee who is reinstated after discharge shall, within fourteen (14) days, be returned to duty with the Employer at the same rate of pay, or such rate as may be agreed to by the parties, or such rate as may be determined by the arbitrator, pursuant to the grievance procedures herein before set forth.

(c) An agreement reached between the Employer and the Association as to the resolution of a grievance or dispute is binding on all employees affected.

(d) Special meetings to discuss and possibly dispose of emergency problems and grievances may be held whenever mutually agreed upon between the Association and the Employer.

ARTICLE 9
STRIKES AND LOCKOUTS

Section 1. The Association agrees that it will not call, authorize, sanction or participate in any strike, work stoppage, work slowdown or so-called "blue flu" or create or cause any reduction of essential services during the term of this Agreement. The occurrence of any acts prohibited in this Section or by the Michigan Public Employment Relations Act shall be deemed a violation of this Agreement.

Section 2. The Employer agrees that it will not engage in any lockout of employees during the term of this Agreement. A lockout shall be deemed a violation of this Agreement.

Section 3. Any disciplinary action taken under this Article shall be subject to the Grievance Procedure.

ARTICLE 10
DISCIPLINE AND DISCHARGE

Section 1. No employee with seniority shall be disciplined without just cause.

Section 2. The following procedure shall be utilized in obtaining statements from employees in connection with complaints or charges which, if true, would constitute a violation of state or federal law, or a traffic violation involving the death or serious injury of a citizen:

- The employee shall be advised that he/she has the right to counsel before the employee is interrogated or required to make any written or oral statement.
- The employee shall be advised that he/she need not make any statement except upon written order of the Employer, the violation of which would constitute grounds for disciplinary action.
- The employee shall be given a summary of the conduct of which he/she has been accused, including the name of the complainant, and the time, date and place of the alleged offense.

Nothing in the foregoing procedure shall limit the right of the Employer to use such statements for disciplinary purposes, including any other hearings pertaining to such matters.

Section 3. Employees shall not be required or requested to take a polygraph examination.

Section 4. All disciplinary actions shall be provided to employees in writing. Employees shall acknowledge receipt of such notices in writing. Copies of all such notices and acknowledgements shall be maintained in employee personnel records.

Section 5. Written counseling notices are for the purpose of documenting that an employee has had a discussion with his/her supervisor in regard to his/her work performance. They shall not be regarded as discipline.

Section 6. An employee may request the presence of an Association representative when being questioned by the Employer concerning any matter he/she reasonably believes may result in discipline.

Section 7. In imposing discipline on a current charge, the Employer will not consider disciplinary actions which occurred more than two (2) years prior to the incident for which disciplinary action is to be taken. While the Employer need not destroy and/or remove evidence of prior disciplinary actions from an employee's personnel record after a period of two (2) years, the Employer shall not rely upon those prior actions in imposing discipline upon an employee for a current incident or matter.

Section 8. The Employer agrees to review an employee's personnel record before releasing information to a third party. The Employer agrees to withhold from the release of information any disciplinary reports, letters of reprimand, or other records of disciplinary action which are more than four (4) years old, except when the release is ordered in a legal action or arbitration to a party in that legal action or arbitration and is permitted by applicable law.

ARTICLE 11
RULES AND REGULATIONS

The Association recognizes the right of the Employer to establish rules and regulations, not in conflict with this Agreement, as it may from time to time deem appropriate for the purpose of maintaining order, safety and/or effective operations, and to require compliance therewith by employees. The Employer shall post its rules and regulations electronically.

The Association agrees that all employees shall abide by the Employer's rules and regulations. All such rules and regulations are hereby made a part of this Agreement by reference as though they were fully incorporated herein.

ARTICLE 12
COMPENSATION

Section 1. Pay Periods. Employees will be paid every other Thursday. One week of wages is withheld to provide the necessary time to prepare the payroll. Payment shall be made through direct deposit. The employee shall also be provided an itemized statement of his/her earnings and all deductions made for any purpose.

Section 2. Base Wages. The base wages to be paid employees covered by this Agreement are set forth in Appendix A of this Agreement.

Section 3. Gun Proficiency Allowance. All employees hired on or before September 10, 2010, who have passed the most recent MCOLES qualification shoot, shall receive a gun proficiency allowance in the amount of \$850.00 per year. The qualification shoot shall be conducted annually on a date to be designated by the responsible shift Commander (or his designee). Those who pass the qualification shoot shall receive the gun proficiency allowance payment in October of each year.

Section 4. Longevity Payments. Employees hired on or after July 1, 2008, shall not be eligible for longevity pay.

Full-time employees hired prior to July 1, 2008, shall be eligible for longevity pay based upon the number of years of continuous service the employee has worked for the Employer. Eligible full-time employees on the Employer's payroll as of December 1 shall be entitled to longevity pay in accordance with the following schedule:

Less than 5 Years	= None
After completion of 5 years to 10 years	= \$30.00 x years of service
After completion of 10 years to 20 years	= \$35.00 x years of service
More than 20 years	= \$40.00 x years of service

The Employer shall issue special payroll checks to all employees who are eligible for longevity pay between December 1st and December 15th of each year.

Employees shall not be entitled to any longevity pay if their employment with the Employer terminates for any reason other than retirement or death prior to December 1 of any calendar year. An employee who retires or dies prior to December 1 shall be entitled to prorated longevity benefits if all other requirements are met. Longevity pay shall be based upon the number of weeks between the preceding December 1 and the employee's date of retirement or death. Time on layoff shall not apply toward longevity.

ARTICLE 13 HOURS OF WORK AND OVERTIME

Section 1. General. Subject to the provisions hereinafter provided, the Employer shall have the sole and exclusive right to establish the hours of work and to assign personnel as required and necessary to fulfill the duties and obligations of the Employer. Nothing contained in this Article shall limit the Employer from making such orders as are necessary to ensure adequate shift strength.

The Employer and the Association agree that all employees will be assigned a regular work schedule of eighty-four (84) hours per bi-weekly pay period (i.e., fourteen (14) day cycle). Notwithstanding any provision in the parties' collective bargaining agreement to the contrary, such time will be paid at normal straight time compensation in accordance with the provisions of Section 207 (k) of the federal Fair Labor Standards Act

The normal shift hours for Public Safety Captains shall be:

Day Shift: 6:00 a.m. - 6:00 p.m.

Night Shift: 6:00 p.m. - 6:00 a.m.

Section 2. Shift Assignments. Every shift shall be headed by a Public Safety Captain.

The responsible shift Commander (or his designee) shall publish a schedule of regular shifts (including assigned work days and days off) four (4) weeks in advance of shift selections. Shift change periods shall be in January, May, and September of each year.

Employees may select shifts on the basis of seniority within classification and rank, most senior first. Shift selections shall be submitted to the responsible shift Commander (or his designee) not more than four (4) weeks nor less than two (2) weeks prior to the shift change periods.

Section 3. Exchanges of Days Off and Shift Assignments. Employees will be permitted to exchange days off and shift assignments with timely notice and prior approval of the responsible shift Commander (or his designee). Such exchanges shall in no event interfere or conflict with normal operations of the Department and must be between employees with similar positions and assignments. The current work week and schedule shall also be continued. Overtime or premium pay shall not be created by exchanges of days off and shifts. In the event an employee fails to appear for a trade for any reason (including sickness or injury) he shall not be allowed to engage in any other trades for a period of six months. Exceptions may be made at the discretion of the responsible shift Commander (or his designee).

Section 4. Overtime.

A. General. The necessity of overtime shall be determined by the responsible shift Commander (or his designee)

B. Overtime Pay. Overtime shall be paid at the rate of time and one-half (1½) the employee's regular hourly rate of pay for all time worked (including time spent attending mandatory or Employer-authorized training and related travel time), in excess of eighty-four (84) hours per bi-weekly period, with the exception of overtime caused by regular scheduled double backs due to shift changes. For purposes of this provision, hours for which a person is off work due to paid sick time, paid vacation, paid funeral time, paid personal leave and paid holidays shall count as hours worked.

Overtime time shall be rounded to the nearest one-quarter (1/4) hour. Overtime shall not be pyramided.

Overtime assignments will normally be voluntary. Off-duty Public Safety Captains shall be given preference when the overtime to be worked is four (4) hours or more.

If the necessary staffing is not secured through the solicitation of volunteers, employees shall be assigned the overtime in reverse order of seniority i.e., least senior Public Safety Captain, upward. Employees shall not be forced to work in excess of sixteen (16) hours per day.

C. Employees who work overtime may elect to receive compensatory time off in lieu of overtime pay, or a combination of overtime pay and compensatory time off. The employee's compensatory time off bank may not exceed eighty-four (84). Compensatory time must be scheduled and approved by the responsible shift Commander (or his designee). Unused compensatory time shall be paid off at termination or retirement.

D. Overtime Equalization. Overtime will be assigned as equitably as possible based on the overtime accumulation of the Public Safety Captains within the Road Patrol and the Support Services units of the Department. For purposes of this provision only, the Support Services units shall include the Support Services Public Safety Captain.

In equalizing overtime, the following practices will be observed:

Overtime in the Road Patrol Unit. If the need for overtime is in the Road Patrol unit, the overtime will first be offered to the Road Patrol Public Safety Captains who are off-duty, beginning with that Public Safety Captain then having the lowest number of total overtime hours worked, regardless of rank.

If there is an insufficient number of Road Patrol Public Safety Captains who volunteer for the available overtime, the overtime shall be offered to the Road Patrol Public Safety Captain on the adjoining shifts who agree to split the shifts, beginning with that Public Safety Captain then having the lowest number of total overtime hours worked, regardless of rank.

If there are an insufficient number of volunteers from the adjoining shifts, the available overtime will then be offered to those off-duty Support Services Public Safety Captains, beginning with that Public Safety Captain then having the lowest number of total overtime hours worked, regardless of rank. Off-duty employees shall be given preference when the overtime to be worked is more than four (4) hours.

If there are an insufficient number of volunteers from the Road Patrol Unit or the Support Services unit, the Public Safety Captain on the shift immediately preceding the shift on which the overtime is needed shall be ordered to work the necessary overtime. Employees shall not be forced to work in excess of sixteen (16) hours per day.

Overtime in the Support Services Unit. If the need for overtime is in the support services unit, the overtime will be assigned to those individuals regularly holding such positions. If additional personnel are needed in support services, such assignments shall be made at the discretion of the responsible shift Commander (or his designee).

The Employer shall keep overtime records showing overtime worked and overtime refused. The sum of the overtime worked and overtime refused shall be used in determining the employee with the least hours. The employee registered with the least number of overtime hours will be called first, and so on down the list in an attempt to equalize the overtime hours. For purposes of equalization, overtime paid for court time, holidays and training shall not be counted as overtime hours worked.

To be charged for overtime hours not worked, employees shall be contacted for such overtime work by the responsible shift Commander (or his designee) at the telephone number provided by the employee to the Employer for this purpose. The overtime contact list of the Department shall be the final determination as to whether contact was or was not made, and whether the overtime was accepted or not accepted. Employees

accepting overtime must accept all hours offered. Answering machines will be considered a "No Answer" contact.

Any employee who is excused from work due to illness or injury or other paid leave time shall not be eligible to be called for overtime work until that employee returns to work following such absence for a full work shift. Employees who desire to be contacted while on vacation shall make such request by written notification to the responsible shift Commander (or his designee).

A new member of the bargaining unit shall be assigned an overtime accumulation equal to the average overtime of all employees in the unit to which they are promoted.

Section 5. Shift Premium. Employees whose normal shift starts between noon to 5:59 a.m. shall receive a shift premium of \$0.65 per hour in addition to their regularly hourly rate of pay. Eligibility for shift premium shall include overtime hours before and after the employee's regular shift.

An employee working the day shift (no shift premium) held over to the night shift shall receive no premium pay. An employee working the night shift (shift premium) held over to the day shift would continue to receive the night premium rate even though additional hours overlap the day shift. An employee assigned to the day shift (no shift premium), who starts work during the night shift hours (shift premium) will receive the night shift premium for the overtime hours worked preceding his/her regular day shift assignment.

An employee working outside of his/her normal assigned schedule will be paid the shift premium, if any, appropriate to the start time of the scheduled overtime assignment. Overtime compensation includes 1-1/2 times the hourly shift premium for each overtime hour worked.

Shift premium is paid only for hours worked as described herein. Shift premium does not apply to training time on a shift commencing between the hours of 5:00 a.m. to 11:59 a.m., court time, vacation time, personal time, holiday pay (day off), bereavement leave or any lump sum payments, excluding retroactivity awards.

Section 6. Report-time Pay. Two (2) hours report-time pay shall be paid to any employee who is requested or ordered to work overtime if such overtime request or direction is within twenty-four (24) hours of the commencement of said overtime. Report-time pay is not applicable when requests or assignments to work are made to employees more than twenty-four (24) hours in advance (including employees not otherwise scheduled to work on that day) or when an employee who is working has his/her shift extended in order to provide coverage or assistance for any reason. It shall also not apply to assignments covered under Section 7, Court Time.

The responsible shift Commander (or his designee) shall have the option to extend the hours of employees who are already regularly assigned for periods of up to four (4) hours. Otherwise coverage or assistance shall come first from employees on their scheduled days off and then from employees otherwise scheduled to work on the days when coverage is required.

Section 7. Court Time. Any employee required to attend court on any matter resulting from his/her performance of duty as a Public Safety Officer in the City of Monroe shall not suffer any loss of pay as a result thereof. The Employer shall also reimburse reasonable expenses such as meals and lodging when an employee is required to travel out of the City of Monroe. The employee shall provide appropriate receipts, an itemized expense statement, and shall turn over to the Employer all subpoena fees, expenses and cost reimbursements received from any source other than the Employer.

Except as hereinafter provided, an employee who is called to court or required to appear for a deposition at a time other than his/her normal scheduled duty hours on any matter resulting from his/her performance of duty as a Public Safety Officer in the City of Monroe shall be compensated at the rate of time and one-half (1-1/2) his/her normal base rate of pay for the time worked, or three (3) hours per morning and afternoon session, whichever is greater. Time taken for lunch will not be paid unless the employee is required to perform duties during a time period set for lunch, in which event time taken for such court related duties shall be documented and paid as time worked.

If an employee is scheduled for court time either immediately before his/her shift starts or immediately at the termination of his/her shift, there shall be no minimum time required and such employee shall be compensated at the rate of time and one-half (1/2) his/her hourly rate for overtime hours beyond his/her normal scheduled duty hours.

Section 8. Breaks. Depending on workload and subject to the understanding that they shall be on-call at all times during break periods or time taken off in lieu thereof, employees shall be provided the following breaks:

(a) Public Safety Captains who work the twelve (12) hour shift may be permitted to take up to two (2) thirty-minute meal breaks.

(b) Except as provided in paragraphs (c) and (d) below, employees who work the eight (8) hour shift may be permitted to take up to a forty-five (45) minute meal break. Such breaks may be taken at the employee's personal residence, if such residence is in the City of Monroe.

(c) Employees on the day shift may be permitted to take up to a one (1) hour meal period on Sundays. If another Public Safety Captain is available to take charge of the shift on a non-overtime basis, employees may be permitted to waive

(d) Employees on the day shift may be permitted to take up to a one (1) hour break period on New Year's Day, Memorial Day, Independence Day and Labor Day, and up to a two (2) hour paid break period on Thanksgiving Day and Christmas Day.

Such appointments shall ordinarily not exceed ninety (90) days, except in the case of assignment to replace employees on medical leave of absence or employees on long-term training assignment.

Section 7. Appointments to the positions of Public Safety Commander and Director of Public Safety. It is recognized that many changes have occurred over the years in the police, fire, and public safety professions, and that the City must ensure all appointees to the positions of Public Safety Commander and Public Safety Director continue to be fully prepared and qualified to confront the challenges of this ever-changing environment. Therefore, it is agreed that the City shall have the full and absolute discretion to make appointments to such positions at such time and pursuant to such process and hiring criteria as the City Council may determine from time to time to be appropriate, notwithstanding any provisions of the parties' collective bargaining agreement, the City Charter, Ordinance, Act 78, or any other statutory provisions relating to Civil Service, the City of Monroe Civil Service Manual, and any policies, rules, regulations, and directives of the Monroe Civil Service Commission, to the contrary.

ARTICLE 15 SENIORITY

Section 1. Bargaining Unit Seniority. All employees entering the bargaining unit shall serve a six (6) month probationary period, uninterrupted by any break in service, in the rank to which they are initially appointed. Upon successful completion of their

Employees who are subsequently transfer to a position outside the bargaining unit (e.g. Director of Public Safety or Public Safety Commander), demoted, or laid off from the bargaining unit, shall not earn seniority during the time they are outside the bargaining unit. Upon return to the bargaining unit, the employee shall have the seniority earned prior to layoff reinstated. Employees who were removed from the bargaining unit due to disciplinary demotion shall not have the seniority they earned prior to the demotion reinstated.

Section 2. Rank Seniority. Upon successful completion of their initial probationary period as referenced in Section 1 above, employees shall be credited with seniority within the rank held in the bargaining unit, dating back to their appointment to that rank. Employees who are subsequently transferred to a position outside the bargaining unit, demoted, or laid off from the bargaining unit, shall not earn seniority during the time they are outside their rank or the bargaining unit. Upon return to their assigned rank, the employee shall have the seniority earned prior to their departure from the bargaining unit reinstated. Employees who lost their rank due to disciplinary demotion shall not have the seniority they earned prior to the demotion reinstated.

Any employee who is transferred out of the bargaining unit covered by this Agreement, but who continues as an employee of the City's Public Safety Department, shall retain his seniority within the job classification held at the time of such transfer. If the Employer decides to remove that person for any reason other than termination for cause, he may exercise his seniority and return to the bargaining unit.

Section 4. Loss of Seniority. An employee shall lose all seniority rights in the event he/she:

- quits;
- retires;
- is discharged for just cause;
- is absent from work for three (3) consecutive work days without prior notification to the Employer, unless it is impossible to do so;

- is on medical leave of absence for more than two (2) years, except by mutual agreement of the Employer and the Association (if an employee goes on a leave of absence within ninety (90) days after his/her return from a prior leave of absence, he/she shall be deemed to be continuing the original leave of absence); or
- works for another employer while on any leave of absence, unless such employment is approved by the Employer in advance.

ARTICLE 16 LAYOFF AND RECALL

Section 1. Layoff. If the Employer elects to reduce the number of Public Safety Captains, the Public Safety Captain possessing the least "bargaining unit" seniority shall be the first to be laid off. If permitted under the City's collective bargaining agreement with the Police Officers Association of Michigan representing the City's Public Safety Officers, employees who are laid off may petition for placement in that bargaining unit in accordance with the provisions therein provided.

Section 2. Recall. If a Public Safety Captain position shall later be created or become vacant, the employee displaced and/or laid off from that rank who possesses the greatest "rank seniority" shall be recalled to that rank prior to the filling of the newly created or vacant position through the new position, vacancy or promotion provisions of this Agreement.

The Employer will give fourteen (14) calendar days notice of recall to laid off employees. Such notice shall be sent to the employee's last address of record. The employee shall make known his/her desire to return to the available position within five (5) calendar days of such notification. Application of the above time limits may be waived or extended due to extenuating circumstances.

Section 3. Other. An employee exercising seniority under this Article shall be paid the wage rate applicable to the job to which he/she is assigned.

An employee who originally entered the bargaining unit prior to July 1, 2009, and was subsequently laid off and recalled to a position in the unit shall be subject to the lump sum holiday provisions of this Agreement.

The first such payment of 60.0 hours base pay shall be in June, 2017. Succeeding payments shall be made each June thereafter.

Holidays are to be deemed "regular" work days during which time the employee will be assigned to work unless not scheduled or on a paid leave days, i.e. vacation, sick or personal leave day. The request for time off must be approved by the responsible shift Commander (or his designee). Approved time off shall be properly recorded.

To be eligible for holiday pay, the employee must have worked his/her last scheduled work day before and the next scheduled work day after the day of observance of the holiday, unless he/she has an excused absence. Documentation may be required.

Section 3. An employee who has been on layoff more than ten (10) days or who is on an unpaid leave of absence at the time such a holiday occurs, will not be paid for that holiday.

Section 4. An employee shall not be entitled to both holiday pay and sick pay for the same holiday not worked. For each hour of sick time taken on a holiday, the Employer shall deduct one and one-half hours at the employee's regular base hourly rate of pay from the 156 hour lump sum payment referenced in Section 2 above.

Section 5. Subject to the terms and conditions herein provided, employees shall receive prorated holiday pay upon termination, discharge, retirement or death based upon the holidays that fall between July 1 of the current fiscal year and the employee's last day

ARTICLE 18
VACATION

Section 1. All full-time employees hired prior to July 1, 2011, shall earn vacation hours with pay in accordance with the following schedule:

<u>Years of Service Completed¹</u>	<u>Vacation Hours</u>	<u>Maximum Accumulation</u>
1 year	56.0	112.0

15-22 years	224.0	448.0
23-24 years	242.0	484.0
25 and above years	261.0	522.0

Section 2. All employees hired on or after July 1, 2011, shall earn vacation hours with pay in accordance with the following schedule:

<u>Years of Service Completed¹</u>	<u>Vacation Hours</u>	<u>Maximum Accumulation</u>
1-7 years	112.0	224.0

10-11 years	149.0	298.0
12-14 years	168.0	336.0
15-24 years	187.0	374.0
25 and above years	205.0	410.0

Section 3. On the anniversary date of hire, employees are permitted a maximum accumulation of unused vacation hours as set forth below. Any unused vacation time in excess of this amount shall be forfeited.

Section 4. When an employee requests a vacation at least six (6) weeks in advance of his/her desired vacation time off, his/her request will be answered within one (1) week. Requests for vacation made on shorter notice will be answered when and as circumstances permit. Once an employee's requested vacation has been approved, it may not be rescheduled without his/her consent, except in the event of emergency requiring cancellation of leaves.

¹ Determined on an employee's anniversary date.

Section 5. When an employee terminates his employment, is discharged, retires or dies prior to his anniversary date, the employee (or his estate) shall be paid for all unused accrued vacation hours, at his current rate of pay. The current year's accrual shall be prorated. Such prorated amount shall be determined by dividing the number of weeks worked by the employee since his last anniversary date by fifty-two (52) and multiplying that result by the number of vacation hours that would otherwise have been earned by the employee for that year.

ARTICLE 19
LEAVES OF ABSENCE

Section 1. Sick Leave. Regular full-time employees shall earn eight (8) hours of paid sick leave per month, commencing with the employee's first full work day. Unpaid time lost by an employee shall not be considered in computing earned credits for sick leave. Except as otherwise provided in this Agreement, all paid leave days, except sick leave days, shall be considered as days worked for accumulation of sick leave credits. In order to be eligible for sick leave credit, an employee must be on the payroll for at least one-half of his regularly assigned work days during the month for which it is earned. Each eligible employee will be allowed to accrue his/her unused sick time up to a maximum of eight hundred (800) hours. Any time in excess of this amount shall be forfeited.

Additionally, employees shall be paid an amount equal to one-half of the unused portion of sick leave earned in each calendar year. Except as hereinafter provided, such payment shall be made for the preceding calendar year in January of each year, using each eligible employee's rate of pay as of December 31st of the preceding calendar year.

Sick leave may be used in case of actual illness or disability, with the exception of absences due to the use of narcotics or intoxicants (unless medically prescribed), misconduct or any illness or injury incurred while gainfully self-employed or employed by another Employer. Sick leave may be used in one-half hour increments or more. However, the total hours used in a day shall not exceed the number of regularly scheduled hours the employee would otherwise have worked had he/she not been on sick leave. Sick leave shall not be charged for absences due to on-the-job injuries covered by worker's compensation.

Any employee who becomes ill and is unable to report to work must, unless circumstances beyond the control of the employee prevents such reporting, notify the supervisor on duty no later than one (1) hour before the starting time of his/her particular shift on the first day of his/her absence and daily thereafter if not hospitalized or sick leave pay will not be allowed.

A certificate from a doctor or physician may be required as evidence of illness or disability, and ability to return to work, if the employee's period of absence exceeds three (3) working days. Notwithstanding the duration of an employee's period of absence, the Employer shall further have the option, at its own expense, to seek an independent medical examination of the employee certifying the employee's illness or injury and/or the employee's fitness for duty.

Abuse of sick leave or falsification of illness or disability will result in disciplinary action up to and including discharge.

If the employee so elects, after all accrued sick leave is used, vacation and personal leave may be used as sick leave benefits. When an employee receives his/her last check for sickness or disability, he/she will be placed on leave without pay for a period not to exceed two (2) years or the total amount of his/her seniority, whichever is less. If, at the end of that time, the employee is still unable to return to work his/her employment shall be terminated.

An employee who has exhausted his/her accrued sick leave benefits but is unable to return to work due to a continuing illness or injury will be eligible for up to twenty-six (26) weeks indemnity pay. Indemnity pay will be payable biweekly in accordance with the Employer's normal biweekly pay cycle and calculated at forty-percent (40%) of the employee's biweekly base salary. In order to be eligible for this benefit, the individual must be a regular full-time employee with one (1) year of service.

Section 2. Duty Disability Leave. A "duty disability leave" shall mean a leave required as a result of the employee incurring an illness or injury while in the employ of the Employer that is compensable under the Michigan Workers' Disability Compensation Act ("MWDCA").

In order to be eligible for duty disability leave, an employee shall immediately report any illness or injury to his/her immediate supervisor and take such first-aid treatment as may be recommended, or waive such first-aid in writing.

Employees on duty disability leave shall continue to accrue vacation and sick leave hours on the same basis as active duty employees for a period not to exceed one (1) year from the date of illness or injury.

All full-time employees who are unable to work as a result of an illness or injury sustained in the course of employment with the Employer shall continue to receive their regular pay (exclusive of shift differential or work premium) for the working days falling within the first seven (7) calendar days of disability. An employee's sick leave will not be charged for this time. (Note: After fourteen (14) days continuous absence, the MWDCA will reimburse the employee at the standard workers' compensation rate for the first week's absence previously paid by the Employer. Upon receipt of such payment, the employee shall immediately reimburse the Employer.)

After seven (7) calendar days, payment of the employee shall be governed by the regulations of the MWDCA; provided, however, for the first twelve (12) months of duty disability leave, the Employer shall also pay the employee bi-weekly the difference between the payment received under the MWDCA and his/her normal bi-weekly pay (exclusive of shift premium and other work premiums). Thereafter, if the employee has sufficient accrued sick leave, he/she will be paid bi-weekly the difference between the payment received under the MWDCA and his/her normal bi-weekly pay (exclusive of shift differential and other work premiums), until the employee's accrued sick leave is exhausted.

An employee who is continuing to work and being treated for a duty disability injury may be treated for such injury during regular working hours and will be compensated at his/her regular rate of pay. He/she shall report promptly to work once the appointment is completed.

If the Employer offers "favored work" to an individual on duty disability within the Police Department, which the employee is capable of performing, the employee shall report as directed or forfeit all supplemental compensation and sick leave benefits provided by the Employer under this Section and such other benefits as may be terminated in accordance with the provisions of the MWDCA.

Section 3. Emergency Leave. An employee whose spouse, child, parent, grandchild, grandparent, sibling or parent-in-law is admitted to a hospital with a condition classified as "critical" or "serious," may be granted a leave of absence with pay for a period not to exceed twenty-four (24) hours upon the approval of the responsible shift Commander (or his designee). The responsible shift Commander (or his designee) may also approve a paid leave of absence for a period not to exceed one (1) work day upon an admission to a hospital of a sibling of the employee's spouse under the circumstances above-described.

Section 4. Family and Medical Leave. The Employer agrees that it shall maintain a policy providing for employee family and medical leaves under the federal Family and Medical Leave Act (FMLA). Employees shall be governed by the provisions of that policy; however, to the extent the Employer's policy provides less benefits than those provided by the FMLA, the provisions of the FMLA shall control. Further, employees may elect to utilize any accrued unused sick leave, vacation, and personal leave benefits while on an FMLA leave.

Section 5. Personal Leave. Effective July 1, 2016, employees hired before July 1, 2011, will be credited with fifty-six (56) personal leave hours per contract year (i.e., July 1 through June 30); employees hired on or after July 1, 2011, shall be credited with forty-eight (48) hours. Requests to use personal leave time must be made in writing to the responsible shift Commander (or his designee) at least seventy-two (72) hours in advance of the desired leave time. (Exceptions to the foregoing requirement may be made in cases of bonafide emergencies.) If an employee does not use all of his/her personal leave during the contract year then that time not used shall be placed in the employee's vacation carry over bank so long as he/she does not exceed the maximum allotted vacation carry over. Any unused hours in excess of the allotted carry over shall be forfeited. Personal leave time that is added to the employee's vacation bank shall thereafter become vacation time and lose its identity as personal leave time.

Section 6. Bereavement Leave. An employee may be granted a bereavement leave of absence, with pay, for a death in the family as described below, provided that the employee notifies the responsible shift Commander (or his designee) prior to the date of the funeral.

The maximum duration of such bereavement leave shall be five (5) days continuous work days for those employees who work an eight (8) hour shift and four (4) continuous work days for those employees who work a twelve (12) hour shift for the death of the employee's spouse, child,

step-child, brother, sister, parent or parent-in-law; twenty-four (24) continuous hours for the death of the employee's grandparent and grandchild; and one (1) day for the death of the spouse's grandparent, brother and sister.

Should a death in his/her immediate family occur while an employee is on a scheduled vacation leave, the employee shall be eligible to receive these benefits in lieu of his/her vacation benefits, provided he/she notifies the Employer prior to the date of the funeral.

Section 7. Other Leaves. In addition to those leaves of absence provided above, an employee may request an unpaid leave of absence for a maximum period of thirty (30) days. Such leave may be extended for successive periods of up to thirty (30) days, not to exceed a maximum of ninety (90) consecutive days. Requests for leave shall be submitted to the responsible shift Commander (or his designee), with a copy to the Human Resources Director. All leave requests, including extensions, require advance written approval of the responsible shift Commander (or his designee).

Employees on an approved leave shall not be engaged in work. Failure to comply with this provision shall result in the employee's termination and the loss of all seniority rights.

Any leave of absence taken under this Section shall not be considered time worked for purposes of earning vacation, sick leave, holiday pay or longevity.

Section 8. Jury Duty. An employee who is summoned for jury duty will be paid the straight-time hourly wage he/she would otherwise have earned, exclusive of premium, while serving on jury duty. Jury duty fees received by the employee shall be turned over to the Employer (excluding mileage).

ARTICLE 20 HEALTH, DENTAL, LIFE, VISION AND GENERAL LIABILITY BENEFITS

Section 1. Health Care. Regular full-time employees shall be entitled to health care coverage commencing on their 91st day of continuous employment.

1.1. Available Plans. The plans available to employees under this Agreement are described below and vary depending on an employee's date of hire.

1.2. A. Employees Hired Prior to August 15, 2011.¹ Each regular full-time employee hired prior to August 15, 2011, who desires health care benefits through the Employer shall have his choice of coverage under one of the following plans:

- (1) A Blue Cross/Blue Shield of Michigan Community Blue (90/10) PPO Plan, with \$250 employee/\$500 family deductible, \$1,000 employee/\$2,000 family co-insurance and Rx generic mandate \$10 co-pay, brand name \$60 co-pay; and mandatory purchase of all maintenance drugs through mail order with Rx generic mandate \$20 co-pay and brand name \$120 co-pay. Employees may select coverage for employee, employee and spouse, employee and child(ren), or family². Employees covered under this Plan shall be required to pay the difference between the total illustrated premium cost of such coverage and the maximum amount the Employer is permitted to pay under Section 3 of the Publicly Funded Health Insurance Contribution Act, Act No. 152 of the Michigan Public Acts of 2011 (see Section (4) below for the manner in which the employee's payment is determined.)
- (2) A Blue Cross/Blue Shield of Michigan Community Blue (80/20) PPO Plan with \$500 employee/\$1,000 family deductible, \$1,000 employee/\$2,000 family co-insurance and Rx generic mandate \$10 co-pay, brand name \$60 co-pay; and mandatory purchase of all maintenance drugs through mail order with Rx generic mandate \$20 co-pay, and brand name \$120 co-pay. Employees may select coverage for employee, employee and spouse, employee and child(ren), or family². Employees covered under this Plan shall be required to pay the difference between the total illustrated premium cost of such coverage and the maximum amount the Employer is permitted to pay under Section 3 of the Publicly Funded Health Insurance Contribution Act, Act No. 152 of the Michigan Public Acts of 2011 (see Section (4) below for the manner in which the employee's payment is determined.)

¹ For purposes of this Article, all references to an employee's date of hire shall refer to his/her last date of hire and placement in a sworn certified police/public safety officer position in the Employer's Police Department, regardless of rank or bargaining unit.

² Eligible participants include the employee, the employee's legal spouse, and the employee's children to the end of the month in which they turn age 26 if they meet the requirements as defined and provided for in the respective plan documents.

- (3) A Blue Cross/Blue Shield of Michigan Flexible Blue PPO High Deductible Health Care Plan with a Health Savings Account and Rx generic mandate \$10 co-pay and brand name \$60 co-pay after the annual deductible has been met; and mandatory purchase of all maintenance drugs through mail order Rx generic mandate \$20 co-pay and brand name \$120 co-pay after the annual deductible has been met. This Plan shall include a \$2,000 individual and a \$4,000 family in-network deductible and a \$4,000 individual, \$8,000 family out-of-network deductible.

Except as above provided, after payment of the applicable in-network deductible in each calendar year-the Plan shall cover 100% of all eligible in-network expenses for the balance of that calendar year. After payment of the applicable out-of-network deductible in each calendar year, the Plan shall cover 80% of all eligible out-of-network expenses for the balance of that calendar year.

For employees covered under this Plan, the Employer shall pay the illustrated premium cost of the health plan and make a contribution to the employee's HSA in an annual amount of \$350 for those who select employee only coverage, \$800 for employee/spouse or employee/child(ren) coverage, and \$1,000 for family coverage,¹ or the maximum annual amount permissible under Section 3 of the Publicly Funded Health Insurance Contribution Act, Act. No. 152 of the Michigan Public Acts of 2011. (See Section (4) below for the manner in which the employee's payment is determined.)

Employees may make contributions to their Health Savings Accounts on a bi-weekly basis, through automatic payroll withholding, in accordance with the provisions of the Internal Revenue Code and the related regulations, and the Employer's administrative procedures.

Notwithstanding the foregoing, employees commencing their employment with the Employer after January 1 of any calendar year shall receive prorated contributions to their Health Savings Account in their first calendar year of employment. Such proration shall be based upon the number of days between the employee's date of hire and December 31 of the first calendar year of employment divided by 365.

¹ Eligible participants include the employee, the employee's legal spouse, and the employee's children to the end of the month in which they turn age 26 if they meet the requirements as defined and provided for in the respective plan documents.

(4) Employer Health Care Contributions. The Employer will annually calculate the total cost it is permitted to incur under Section 3 of the Publicly Funded Health Insurance Contribution Act, Act. No. 152 of the Michigan Public Acts of 2011 (the "Act"). The Employer will compare the total cost it is allowed to incur according to the Act to its actual cost if each employee were to select the plan in Section A (3) above. If the actual cost exceeds the allowed cost, the Employer's total cost will be adjusted to comply with the Act by first reducing the employer's contributions to the HSA referenced to in Section A (3) until they are eliminated and then, if necessary, adding an employee payment for the cost of the plan in Section A (3) above until the calculation is brought into compliance with Section 3 of the Act. The employee's payment or the plans in Section 1 and 2 will be adjusted to make the Employer's net cost match the cost for the plan in Section A (3) above.

The illustrated premium costs of the foregoing plans are subject to adjustment each calendar year (typically in January of each year). Prior to implementing each such adjustment, the Employer will inform employees of the adjustment and provide an open enrollment period during which time employees will be permitted to change their coverage selections.

B. Employees Hired On Or After August 15, 2011. Each regular full-time employee hired on or after August 15, 2011, who desires health care benefits through the Employer shall be provided the PPO (90/10) Plan or the Flexible Blue PPO High Deductible Health Care Plan, with a Health Savings Account. The two plans shall be as described in Section 1.1 (A) above with the following exceptions; 1) those employees choosing the PPO (90/10) Plan shall be required to contribute 20% of the illustrated premium cost of such Plan or the cost calculated in Section 1.1 A(4), whichever results in the greater employee payment; and 2) those employees choosing the Flexible Blue PPO High Deductible Health Care Plan, with a Health Savings Account shall be required to pay the full amount of the annual deductible and any amount by which the annual premium exceeds the Employer's total costs as calculated in Section 1.1 A (4). The Employer shall not contribute to the employee's HSA.

1.2. Spousal Coverage Limitations. Notwithstanding any other provision of this Agreement to the contrary, if a regular full-time employee's spouse works for an employer, other than the City of Monroe, who provides medical coverage, such spouse shall be required to elect employee only medical coverage through his/her own employer, so long as the spouse's monthly contribution to the premium does not exceed one-third (1/3) of the total premium cost of employee only coverage. In such circumstance, the Employer (i.e. the City of Monroe) shall provide secondary coverage. If the spouse's contribution exceeds one-third (1/3) of the total cost of employee only coverage, the spouse will not be required to participate in his/her employer's plan, in which event the Employer (i.e. the City of Monroe) will provide primary coverage.

To be eligible for health care benefits as provided above, an employee must document all coverage provided to him under his spouse's medical plan and cooperate in the coordination of coverage to limit the Employer's expense.

1.3. Additional Limitations on Coverage. Coverage under the above plans is subject to the terms, conditions, exclusions, limitations, deductibles, illustrated premium co-payments and other provisions of such plans, and all applicable provisions of the Internal Revenue Code and related regulations.

Subject to insurance carrier underwriting requirements and approval, and except as otherwise provided in Article 19, Leaves of Absence, Section 4, Family and Medical Leave, when on an authorized unpaid leave of absence the employee will be permitted to continue his/her participation in the Employer's health care plans for the period he or she is not on the active payroll. Employees electing to continue such coverage shall pay the full cost of such continued coverage. Upon return from a leave of absence, an employee's health care coverage shall be reinstated commencing with the employee's return.

Except as otherwise expressly provided in this Agreement, an employee's health care benefits shall terminate at the end of the month in which the employee goes on a leave of absence, terminates, or is laid off. An employee who is on layoff or who terminates may elect to continue the health care coverage herein provided at his/her own expense as provided under COBRA.

The Employer reserves the right to change the carrier(s), plan(s), and/or the manner in which it provides the above benefits, provided that the benefits are equal to or better than the benefits outlined above. The Employer shall inform the Association of such changes prior to their becoming effective.

Section 2. Health Care Waiver Incentives.

A. Total Waiver of Health Care Coverage

ARTICLE 21 RETIREMENT AND RETIREE HEALTH CARE

Section 1. Retirement Plan.

(a) Employees Hired On or Before June 30, 2008.¹

(1) General. Subject to the terms and conditions hereinafter provided, the Employer agrees to maintain the City of Monroe Employees' Defined Benefit Retirement Plan now in effect for all employees covered by this Agreement who were hired on or before June 30, 2008, and are present participants in the Plan.

Employees in the Defined Benefit Plan shall contribute five and one-half percent (5.5%) of their total earnings to the Plan. No employee contributions will be required after 30.2 years of service.

An employee participating in this Plan will be eligible for normal retirement upon attaining age 50 or older with 25 or more years of credited service, age 55 or older with 10 or more years of credited service, or age 60 or older with 5 years of credited service.

The monthly benefit formula for employees in this Plan who elect to retire shall be 2.65% of the employee's final average compensation multiplied by his/her years of credited service up to a maximum of 30.2 years of credited service, and capped at 80% of final average

¹ For purposes of this Article, all references to an employee's date of hire shall refer to his/her last date of hire and placement in a sworn certified Police Officer position in the Employer's Police Department, regardless of rank or bargaining unit.

compensation. Final average compensation shall be the average of the highest three (3) years of the employee's compensation during the last 10 years of his/her employment. Final average compensation shall be frozen after 30.2 years of service. Final average compensation shall include base salary, shift differential, longevity pay, gun proficiency allowance, holiday pay, overtime pay (the calculation of final average compensation based on earnings after December 31, 2011, shall not include more than 200 hours per year of overtime compensation), MFR bonus, PSO bonus, uniform cleaning allowance, and the value of up to six (6) unused sick days per year paid to the retiring employee in his/her last 3 years of employment. (For example: An employee earns 12 sick days per year. The Employer pays 1/2 of the unused sick days each year. Thus, an employee who uses none of the 12 days will be paid for 6 days each year and have such amount (a total of 18 days) included in the calculation of his/her final average compensation for the last 3 years of his/her employment. If the employee who retires instead uses 2, 4, and 6 sick days, respectively, in the last 3 years of his/her employment he/she will be paid for 5, 4, 3 days for those years (1/2 of the remaining 10, 8 and 6 days) and have that amount (i.e. a total of 12 days) included in the calculation of his/her final average compensation for the last 3 years of his/her employment.) Except as above provided, final average compensation shall not include any unused vacation, sick leave, and any other payments not expressly referenced above as being included in final average compensation.

(2) Cost of Living Adjustments. An employee participating in this Plan who was hired on or before September 14, 2004, shall also receive an annual three percent (3%) cost-of-living adjustment, commencing on the completion of one year of retirement during which he/she has been receiving monthly benefits. Cost-of-living adjustments shall not be compounded.

(b) Employees Hired On or After July 1, 2008.

(1) General. Subject to the terms and conditions hereinafter provided, employees hired on or after July 1, 2008, shall also participate in the City of Monroe Employees' Defined Benefit Retirement Plan now in effect. Such employees shall contribute five and one-half percent (5.5%) of their total earnings to the Plan. No employee contributions will be required after 37 1/2 years of service.

An employee participating in this Plan will be eligible for normal retirement upon attaining age 55 or older with 10 or more years of credited service, or age 60 or older with 5 or more years of credited service.

The monthly benefit for employees hired on or after July 1, 2008, who elect to retire under this Plan, shall be determined by taking the employee's credited service and multiplying it by 2.0% of the employee's final average compensation for the first fifteen (15) years of credited service and 2.25% for each year of credited service thereafter.

Final average compensation shall be the average of the highest three (3) years of the employee's compensation during the last 10 years of his employment. Final average

compensation shall be frozen after 37.2 years of service and capped at 80%. Final average compensation shall only include base salary.

(2) Cost of Living Adjustments. An employee participating in this Plan hired on or after July 1, 2008, shall also receive an annual cost-of-living adjustment of 2% or the annual rate of increase in the Consumer Price Index (All Items, Urban Consumers as published by the United States Department of Commerce) for the calendar year preceding January 1 on which the COLA would be applied, whichever is lower, commencing on the completion of one year of retirement during which he has been receiving monthly benefits.

Section 2. Retiree Health Care.

(a) Employees Hired On or Before June 30, 2008.

(1) General. Subject to the requirements hereinafter provided, regular full-time employees hired on or before June 30, 2008, who sever employment for purposes of immediate retirement and, concurrent therewith, commence receiving benefit payments under the City of Monroe Employees' Retirement System referenced in Section 1 (a) above, shall be eligible for health care benefits for himself/herself, his/her spouse and, except for those who elect annuity withdrawal as provided in Section 1 (a) (3) above, his/her eligible dependents.¹

Until the retiree and/or his/her spouse becomes eligible for Medicare, the healthcare benefit plans to be provided under this provision for employees who retire on or after January 1, 2012, shall be the same as those the Employer provides its active employees², with the

¹"Spouse" means an employee's spouse by legal marriage at the time of the employee's retirement, and provided that the marriage status exists at the time expenses for medical claims under this Agreement are incurred. A retiree who remarries after the effective date of his/her retirement is not eligible to add a new spouse for healthcare benefits under this Agreement. A spouse who is covered under this Agreement at the time of a retiree's death may continue to participate in the benefits provided under this Agreement as long as the spouse receives the retiree's survivor payments under the Retirement System. If the spouse of a retiree remarries after the retiree's death, his/her new spouse is not eligible to receive healthcare benefits under this Agreement.

"Dependent" means dependent children to the end of the month in which they turn age 26 if they meet the requirements as defined and provided for in the respective plan documents.

²Eligible employees who retire on or before December 31, 2011, shall be provided those plan benefits in effect as of the date of their retirement and shall not be subject to mirroring of the active employee group. Subject to this limitation, all other provisions shall apply.

exception that the Employer's contribution toward the cost of each of the healthcare plans offered shall be based upon each retiree's credited service at the time of his/her retirement and the illustrated premium cost of coverage under the health care plan requiring the lowest Employer contribution. For each year of credited service³ (up to a maximum of 25 years credited service), the Employer will pay an amount equal to 4% of its share of the illustrated premium cost of coverage of the Plan selected by the retiree⁴ and, where applicable, his/her eligible spouse and dependents⁵. Retirees, and, where applicable, his eligible spouse and dependents shall pay the remaining portion of all costs, if any, of the plan selected. The retiree's and, where applicable, his spouse's and dependents contributions, shall be made through automatic withholding from his/her monthly pension benefits.

To receive health care benefits under this Agreement, the retiree and, where applicable, the retiree's spouse and/or eligible dependents must timely pay all applicable monthly premiums and, when eligible, enroll and thereafter maintain his/her participation in Medicare Part B benefits. The retiree and, where applicable, the retiree's spouse and/or eligible dependent(s), shall be responsible for all associated costs of Medicare Part B enrollment and participation.

When the retiree and his/her spouse become eligible for Medicare, the Employer may change retiree health care coverage to a Medicare supplement plan, Medicare Advantage plan, or such other Medicare-coordinated coverage, but such coverage shall provide comparable prescription drug benefits that the Employer is providing to its active employees.⁶ The Employer

³ For purposes of this provision, credited service shall be as defined under the City of Monroe Employees' Defined Benefit Retirement Plan.

⁴ Notwithstanding the foregoing, duty disability retirees (and their eligible spouses) shall be entitled to an Employer contribution in an amount equal to 100% of the cost of coverage under the Employer's Health Care Plan if they are disabled by a qualifying action. The eligible spouses of employees who are killed in the line of duty as a result of a qualifying action shall also be entitled to an Employer contribution in an amount equal to 100% of its share of the illustrated premium cost of coverage of the Plan selected by the retiree and, where applicable, his eligible spouse and dependents. A qualifying action shall consist of one or more of the following events: death or an injury incurred while affecting an arrest or directing traffic, an on duty auto accident, death or an injury resulting from aggression or an assault by a member of the public or a prisoner, or any other similar ultra hazardous activity which results in an officer's death or injury while in the line of duty.

⁵ For that period preceding eligibility for Medicare, the Employer's contribution, in combination with any state or federal subsidy, on behalf of a retiree (including his/her eligible spouse and dependents) with 25 or more years of service shall not be less than what it would have been required to contribute toward the illustrated premium cost of coverage for the retiree and his/her eligible spouse and dependents, whatever may be applicable, under the Health Care Plan requiring the lowest Employer contribution at the time the retiree commenced his/her retirement. The Employer's minimum contribution on behalf of retirees (including his/her eligible spouse and dependents) with less than 25 years of credited service shall be determined by multiplying that percentage of premium to which the retiree is entitled based upon his/her credited service by the illustrated premium cost of coverage for the retiree and his/her eligible spouse and dependents, whatever may be applicable, under the health care plan requiring the lowest Employer contribution at the time the retiree commenced his/her retirement.

⁶ Retirees and/or their eligible spouses who do not meet the eligibility requirement for Medicare benefits, and those retirees who retire on or before December 31, 2011, and/or their eligible spouse, shall continue to receive the health care benefits for which they are otherwise eligible under this Agreement.

will pay the same percentage share of the cost of such Supplemental and prescription drug benefits for eligible retirees, spouses and dependents as it would have paid for coverage under the health care plan requiring the lowest Employer contribution prior to the retiree and his/her spouse becoming entitled to Medicare. Retirees shall pay the remaining portion of such costs, if any, through automatic withholding from their monthly pension benefits.

Except for those employees who retire on or prior to December 31, 2011, the Employer hereby expressly and unqualifiedly reserves the right to change benefits from time to time for the retiree, his/her spouse and dependents, to reflect the changes in coverage the Employer provides its active employees.

(2) Enrollment for Retiree Benefits. Enrollment for coverage shall be made on forms provided by and filed with the Employer. In connection with his/her enrollment for coverage, a retiree shall furnish all pertinent information requested by the Employer including, but not limited to, the names, relationships and birth dates of the retiree's spouse and dependents. The Employer may rely upon all such forms and information furnished.

(3) Required Annual Reporting. Each retiree shall annually provide the Employer's Human Resources Department with a signed affidavit indicating whether or not he/she and his/her spouse are employed and/or receiving health care benefits through another source. Retiree's (or upon the death of the retiree, the retiree's eligible spouse) who fail to report such employment and/or receipt of health care benefits from another source, or falsify such affidavit, shall forfeit all health care benefits under this Agreement for himself/herself and his/her spouse and dependents.

(4) Coordination of Benefits. To receive health care benefits under this Agreement, retirees and spouses must cooperate in the coordination of coverage to limit the Employer's expense in accordance with applicable law.

If an expense is paid by the Employer on behalf of a retiree or a retiree's spouse, and such expense subsequently is paid from any other source, in whole or in part, the retiree or spouse shall assist the Employer in recovering an amount equal to the duplicated benefit. In addition, the Employer may reimburse any other health care plan, person or entity that has paid an expense on behalf of a retiree or spouse that is an expense payable under this Agreement. In such event, the Employer shall be relieved of all further responsibility with respect to that expense.

(5) Post Retirement Employment. In the event a retiree obtains employment following his/her retirement from the Employer and is provided health care benefits through that employment, the Employer shall not provide coverage while the retiree is so employed. Upon termination of subsequent employment, the retiree, after giving notice to the Employer, shall be eligible to receive the health care benefits provided under this Agreement.

(6) Termination of Benefits. Notwithstanding the foregoing, if the retiree is employed long enough to obtain retiree health benefits through another employer and such

benefits are equal to or greater than those provided to the retiree by the Employer, the Employer shall have no further obligation to provide health care benefits to the retiree, his/her spouse or dependents under this Agreement.

Further, except as otherwise provided herein, health care benefits provided under this Agreement shall terminate on the earliest of:

- non-payment of any required contributions to the Employer;
- the death of the retiree or any eligible spouse or dependent(s) of the retiree;
- the loss of spouse or dependent status; or
- failure to enroll for and maintain Part B Medicare Benefits upon reaching Social Security Normal Retirement Age, if the retiree or his/her eligible spouse is eligible for such benefits.

(b) Employees Hired On or After July 1, 2008

All employees hired on or after July 1, 2008, are expressly excluded from health care coverage provided in Section 2 (a).

Section 3. Retiree Health Care Fund. Effective January 1, 2013, employees hired on or before June 30, 2008, shall contribute 3% of the average annualized base wages of all regular full-time employees of the City to the City's Retiree Health Care Fund, which amount shall be calculated based upon the wages paid on June 30 of each year. (Note: Once this amount is determined it shall not later be adjusted to account for changes in the workforce or compensation preceding the next following June 30.) The employee's contribution shall be paid through automatic payroll withholdings in 26 equal biweekly increments during the 12 month period commencing July 1 extending through and including the following June 30. If the employee quits or leaves City employment for any reason and is ineligible for retiree health care benefits, the employee shall be refunded the amount he contributed to the Retiree Health Care Fund. Interest will be credited in the same manner as employee contributions to the pension fund.

Section 4. MERS Health Care Savings Plan

All full-time employees hired on or after July 1, 2008, shall participate in the MERS Health Care Savings Plan established by the Employer. All covered employees and the Employer shall contribute to the Plan. Employees employed from July 1 and June 30 of each year shall contribute 3% of the average annualized base wages of all regular full-time employees of the City of Monroe, which amount shall be calculated based upon the wages paid on June 30 of each year. (Note: Once this amount is determined it shall not later be adjusted to account for changes in the workforce or compensation preceding the next following June 30.) The

employee's contribution shall be paid through automatic payroll withholdings in 26 equal biweekly increments during the 12 month period commencing July 1 extending through and including the following June 30. The Employer shall contribute an equal amount to the Plan on behalf of each employee concurrent with the employee's contribution. For employees employed less than a full 12 month period extending from July 1 - June 30, the employee and Employer shall make prorated contributions. Such contributions shall be payable during the period of the employee's actual employment in biweekly increments equal to 1/26th of the amount subject to contribution by individuals employed the entire 12 month period.

All employees hired on or before June 30, 2008, are expressly excluded from participation in the MERS Health Care Savings Plan established by the Employer as herein provided.

Section 5. MERS 457(b) Plan.

(a) Eligibility. The Employer has adopted a Code Section 457(b) plan through the Municipal Employees' Retirement System of Michigan (the "MERS 457 Plan"). All employees may participate in and voluntarily elect to make elective deferral contributions to the MERS 457 Plan.

(b) Employer Contributions for employees hired on or after July 1, 2008. For employees hired on or after July 1, 2008, the Employer will make a matching contribution equal to two percent (2%) of Compensation to the MERS 457 Plan based on their voluntary contributions of at least six (6%) of Compensation under the MERS 457 Plan effective on and after January 1, 2022. 457 Participants may elect, throughout the Plan Year, to increase or decrease their salary deferrals elections in the manner permitted and accordance with the 457 Plan terms; but an employee is entitled to a matching contribution equal to two percent (2%) of his or her Compensation into the MERS 457 Plan only when he or she is making salary deferrals equal to at least six percent (6%) of his or her Compensation into the 457 Plan.

(c) Employees hired prior to July 1, 2008. An employee hired prior to July 1, 2008 voluntarily may contribute to the MERS 457 Plan, but the Employer will not make any employer contributions (matching or otherwise) to the MERS 457 Plan on his or her behalf.

APPENDIX B
DRUG TESTING POLICY

I. PURPOSE

The purpose of this policy is to provide all sworn Public Safety Captain ("Public Safety Captains" or "Officers") with notice of the provisions of the City of Monroe Police Department's drug testing program.

II. POLICY

It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable drug testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an officer's physical and mental health and, thus, job performance.

Where law enforcement officers participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this Department will implement a drug testing program to detect prohibited drug use by sworn officers.

III. DEFINITIONS

Sworn Officer. Those officers who have been formally vested with full law enforcement powers and authority. The terms "sworn officer" and "officer" shall include all members of the bargaining unit.

Supervisor. Those sworn officers appointed by the Employer to a position having day-to-day responsibility for supervising subordinates.

Drug Test. The compulsory production and submission of urine and/or blood, in accordance with departmental procedures, by an officer for chemical analysis to detect prohibited drug usage.

Reasonable Suspicion. That quantity of proof or evidence that is more than a hunch, but less than probable cause. Reasonable suspicion must be based on specific, objective facts and any rationally derived inferences from those facts about the conduct of an officer. These facts or inferences would lead the reasonable person to suspect that the officer is or has been using drugs while on or off duty.

Medical Review Officer. The Medical Review Officer ("MRO") is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO will be a licensed physician with knowledge of substance abuse disorders. The MRO shall have appropriate medical training to interpret and evaluate an officer's test results in conjunction with his or her medical history and any other relevant biomedical information.

IV. PROCEDURES/RULES

A. GENERAL RULES

The following rules shall apply to all officers, while on and off duty:

1. No officer shall illegally use, possess or sell any controlled substance.
2. No officer shall ingest any controlled or prescribed substance, except under the direction of a licensed medical practitioner.
 - a) Officers shall notify their immediate supervisor when required to use prescription medicine that may influence their job performance. Employees who self report a prescription drug dependency shall be referred for appropriate treatment and placed on a leave of absence in accordance with the provisions of this Agreement. The officer shall submit one of the following:
 - (1) note from the prescribing doctor;
 - (2) copy of the prescription;
 - (3) show the bottle label to his immediate supervisor.
 - b) Supervisors shall document this information and retain the memorandum for at least thirty (30) days.
3. No officer shall ingest any prescribed or over-the-counter medication in amounts beyond the recommended dosage. No officer shall ingest any controlled or prescribed substance, except under the direction of a licensed medical practitioner.

4. Any officer who unintentionally ingests, or is made to ingest, a controlled substance shall immediately report the incident to his supervisor so that appropriate medical steps may be taken to ensure the officer's health and safety.

5. Any officer having a reasonable basis to believe that another officer is illegally using, or is in possession of, any controlled substance shall immediately report the facts and circumstances to his supervisor.

6. Discipline of sworn officers for any violation of this drug testing policy shall be in accordance with the due process rights provided in the Department's rules and regulations, policies and procedures, and the collective bargaining agreement. (The officer may be immediately relieved of duty pending a departmental investigation at the discretion of the Chief or his/her designee, when one of the following occurs:

- a) A refusal to participate;
- b) Reasonable suspicion;
- c) The MRO determines that an officer's drug test was positive.

B. APPLICANT DRUG TESTING

1. Applicants for the position of sworn officer shall be required to take a drug test as a condition of employment during a pre-employment medical examination.

2. Applicants shall be disqualified from further consideration for employment under the following circumstances:

- a) Refusal to submit to a required drug test, or
- b) A confirmed positive drug test indicating drug use prohibited by this policy.

C. RIGHT OF INSPECTION

All property owned and/or controlled by the Employer, including lockers, desks or other property issued to an officer, is subject to Employer inspection at any time as there is no expectation of privacy. Other property on the Employer's premises shall be subject to Employer inspection in accordance with departmental policies and applicable state and federal law.

D. TESTING STANDARDS

1. Sworn officers will be required to take drug tests as condition of continued employment in order to ascertain prohibited drug use, as provided below:

A drug test will be administered as part of any promotional physical examination required by this department.

A drug screening test shall be administered as a condition of admission to the Narcotic Unit.

2. The members of the Narcotic Unit may be tested randomly at least once every six months and also when an officer leaves the unit.

3. The Employer may order a sworn officer to submit to a drug test when there is reasonable suspicion that the sworn officer is or has been using illegal drugs or prescription drugs in violation of this policy. Reasonable suspicion may be based upon, for example, among other things, direct observation of use and/or the physical symptoms of having used drugs, a pattern of abnormal conduct or erratic behavior including, but not limited to, excessive absenteeism, tardiness, indifferent job performance, poor work, and on-the-job injuries or accidents, indictment for a drug-related offense, and/or newly-discovered evidence that the officer has tampered with a previous urine sample and/or drug test.

4. A sworn officer's failure or refusal to submit to a drug test as directed by the Department or the alteration or substitution of a specimen shall be a violation of this drug testing policy and shall result in discipline up to, and including, discharge.

E. DRUG USE DETERMINATION

The determination that an officer uses illegal drugs may be made on the basis of direct observation, confirmed results of the Department's drug testing program, the officer's own admission or other appropriate basis.

F. PENALTY

Violation of any provision of this drug testing policy shall be grounds for disciplinary action, or such other action as the Employer shall determine to be appropriate in the circumstances. Discipline shall be administered as set forth in the Code of Conduct and Rules and Regulations for the Monroe Police Department and further defined in the Department's Policies and Procedures, and may include discharge from the Police Department. Any discipline remains subject to review in accordance with the collective bargaining agreement.

G. DRUG TESTING PROCEDURES

1. The testing procedures and safeguards provided in this policy shall be adhered to by any laboratory personnel administering departmental drug tests.

2. Laboratory personnel authorized to administer departmental drug tests shall require positive identification from each officer to be tested before the officer enters the testing area.

3. In order to prevent a false positive test result, a pre-test interview shall be conducted by testing personnel to ascertain and document the officer's recent use of any prescription or non-prescription drugs, or any indirect exposure to drugs.

4. The testing area shall be private and secure. Authorized testing personnel shall search the testing area before an officer enters same in order to document that the area is free of any foreign substances. Authorized testing personnel may:

- a. control the test area to ensure that samples have not been hidden for a substitution;
- b. prohibit the carrying of purses, bags, luggage, briefcases, or other containers into the test area; and
- c. prohibit the wearing of coats and/or jackets into the test area.

5. It is recognized that the Employer has the right to request the clinic personnel administering a urine drug test to take such steps as checking the color and temperature of the urine specimen(s) to detect tampering or substitution, provided that the officer's right of privacy is guaranteed, and in no circumstances may observation take place while the officer is producing the urine specimens. If it is established that the officer's specimen has been intentionally tampered with or substituted by the officer, the officer is subject to discipline as if the specimen tested positive. In order to deter adulteration of the urine specimen during the collection process, physiologic determinations such as creatinine, specific gravity and/or chloride measurements may be performed by the laboratory.

Any findings by the laboratory outside the "normal" ranges for creatinine, specific gravity and/or chloride shall be immediately reported to the Employer so that another specimen can be collected without undue delay. The clinic shall also immediately notify the MRO.

6. Where the officer appears unable or unwilling to give a specimen at the time of the test, testing personnel shall document the circumstances on the drug-test report form. The officer shall be permitted no more than two (2) hours to give a sample. During that time, the officer shall remain in the testing area, which shall remain under the observation and control of the clinic personnel. Direct observation of the officer producing the sample is prohibited. Reasonable amounts of water may be given to the officer to encourage urination. Failure to submit a sample shall be considered a refusal to submit to a drug test except for good cause as determined by the MRO.

7. Urine in excess of the first 60ml shall be placed in a second container by authorized testing personnel. The samples must be provided at the same time, and marked and placed in identical specimen containers by authorized testing personnel. One sample shall be submitted for immediate drug testing. The other sample shall remain at the facility in frozen storage. If an officer is told that the first (1st) sample tested positive, the officer may, within seventy-two (72) hours of receipt of actual notice, request that the second (2nd) urine specimen be forwarded by the first (1st) laboratory to another independent and unrelated approved laboratory of the parties' choice for Gas Chromatography/Mass Spectrometry (GC/MS) confirmatory testing of the presence of the drug. If the officer requests a second test, he/she shall simultaneously pay to the Employer the cost of the second test. The officer may be suspended without pay once the first (1st) laboratory reports a positive finding while the second (2nd) test is being performed. If the second (2nd) laboratory report is negative, the officer will be reimbursed for the cost of the second (2nd) test and for all lost time.

8. All specimen samples shall be sealed, labeled, initialed by the officer and laboratory technician, and checked against the identity of the officer. Samples shall be stored in a secured and refrigerated atmosphere until testing or delivery to the testing lab representative.

H. DRUG TESTING METHODOLOGY

1. The testing or processing phase shall consist of:
 - a. Initial screening test;
 - b. Confirmation test--if the initial screen testing is positive.
2. The urine sample is first tested using the initial drug screening procedure. An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending". Notification of test results to the supervisor or other departmental designee shall be held until the confirmation test results are obtained and verified by the MRO.
3. A specimen testing positive will undergo an additional confirmatory test. The confirmation procedure shall be technologically different and more sensitive than the initial screening test.
4. The drug screening tests selected shall be capable of identifying marijuana, cocaine and every major drug of abuse, including heroin, amphetamines and barbiturates. Personnel utilized for testing will be qualified to collect urine samples, or adequately trained in collection procedures.

5. Concentrations of a drug at or about the following levels shall be considered a positive test result when using the initial immunoassay drug screening test:

a. Initial Test Standards

The initial test shall use an immunoassay which meets the requirements of the Food and Drug Administration for commercial distribution. The following initial cutoff levels shall be used when screening specimens to determine whether negative or positive for these classes of drugs:

<u>SKBL Analyte</u>	<u>Initial Test Level (ng/ml)</u>
Marijuana	50 ng/ml
Cocaine	300 ng/ml
Opiates	2000 ng/ml
Phencyclidine	25 ng/ml
Amphetamine	1000 ng/ml

Some specimens may be subjected to initial testing by methods other than immunoassays, where the latter are unavailable for detection of specific drugs of special concern.

b. Confirmatory Test Standards

All specimens identified as positive on the initial screening test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) techniques and by quantitative analysis at the cutoff levels listed below:

<u>SKBL Analyte</u>	<u>Initial Test Level (ng/ml)</u>
Marijuana	15 ng/ml
Cocaine	150 ng/ml
Opiates:	
Morphine	2000 ng/ml
Codeine	2000 ng/ml
Phencyclidine	5 ng/ml
Amphetamine	500 ng/ml

I. CHAIN OF EVIDENCE – STORAGE

1. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of custody.
2. Where a positive result is confirmed, urine specimens shall be maintained in a secured, refrigerated storage area. If a dispute arises, the specimens will be stored until all legal disputes are settled.

J. DRUG TEST RESULTS

All records pertaining to departmental-required drug tests shall remain confidential and shall not be provided to other employers or agencies without the written permission of the person whose records are sought. However, medical, legal, administrative and immediate supervisory personnel may have access to the records as needed in their service to the Employer.
