GARBAGE/RECYCLING COLLECTION CANCELLED FOR 01/30/19

Monroe, Michigan - Due to the bitterly cold temperatures, the City's refuse provider, Waste Management, is suspending its activities for Wednesday, January 30th.

Collection schedules for the remainder of this week will be delayed one day beginning Wednesday. Those individuals with the normal collection day of Wednesday will be delayed to Thursday, and those individuals with Thursday collection will in-turn be delayed to Friday.

We join with Waste Management in protecting the welfare of its employees during this time, and appreciate the patience of our citizens. Please feel free to contact the Department of Public Services at 734-241-6800 should you have any questions.
