Monroe PD Complaint #: 2515-21

Incident: Vehicle crashes into unoccupied home

On Wednesday, March 3, 2021 at approximately 7:58 pm, Corporal Bafus of the Monroe Police Department was dispatched to the 600 block of Clark Street after reports that a van struck a house. At the scene, Corporal Bafus observed an unoccupied white Ford Econoline van had crashed into the northwest corner of the home. The impact caused significant damage and ruptured the main gas line of the unoccupied dwelling. The driver of the vehicle was located on scene and uninjured. Michigan Gas Utilities arrived and successfully contained the leak without further incident. Initial findings suggest alcohol may have been a factor in the crash. Anyone with information regarding this case is encouraged to contact Corporal Bafus of the Monroe Police Department.
